

CURRICULUM VITAE

Robert I. Fox, M.D., Ph.D., F.A.C.P.

Chief, Rheumatology Clinic

Scripps Memorial Hospital and Research Foundation

9850 Genesee Ave, Suite #910

La Jolla, California 92037

Phone (858)-457-2023

Fax (858)-457-2721

E-mail RobertFoxMD@mac.com

Place of Birth: Washington, D.C.

Citizenship: United States

Home Address: 4206 Caminito Cassis

San Diego, California 92122

Education:

Honors College, University of Michigan

BS (Biophysics) 1968 (Summa cum laude)

Medical Scientist Training program

(Combined M.D.-Ph.D. program in Molecular Biology)

Harvard Medical School (1968-74)

Cold Spring Harbor Research Lab of Harvard Medical School

(lab of JD Watson)

Massachusetts General Hospital, 1969, 1974

Albert Einstein College of Medicine, New York

Ph.D. Molecular Biology, 1972 (summa cum laude)

M.D. 1974 (summa cum laude)

Stanford University Medical Center, Stanford, California

1974 – 1976 Intern and Resident in Internal Medicine,

1976 – 1978 Fellowship in Immunology and Rheumatology,

1978-1979 Chief Resident in Internal Medicine, Stanford

Brief Chronology of Employment:

1979-1980 Instructor, Division of Rheumatology, Stanford University

1980 - 1987 Assistant Member in Immunology (Research), The Scripps Research Institute

1980-1999 Member, Department of Clinical Rheumatology,
ScrippsHealth, La Jolla, California

1987 - 1999 Associate Member in Immunology (Research), The Scripps Research Institute
Skaggs Fellow in Translational Research
The Scripps Research Foundation
La Jolla, CA

1999-present. Member and Chief, Rheumatology Clinic,
Scripps Ximed Association
Scripps Memorial Hospital and Research Foundation

Honors and Awards:

Undergraduate Awards at University of Michigan (Ann Arbor, MI)

Honors College Program in Unified Science (1964-68)

Graduated Summa cum Laude (Biophysics)-1968

Phi Beta Kappa (Undergraduate Honor Society) -Vice President 1967-68

Phi Kappa Phi (Scientific Honor Society) - Vice President and President 1967-68

William I. Branstrom Award for Outstanding Academic Achievement (1968)

Awards during Graduate School

Smith Kline Award for postdoctoral research, Cold Spring Harbor Laboratories of Harvard Medical School, 1968

Albert Einstein College of Medicine Medical Scientist Training Program
(combined M.D.-Ph.D. Training Program) (1968-1974)

Ph.D. (Molecular Biology), 1972 summa cum laude

Alpha Omega Alpha (Medical Honor Society) - Vice President, 1972-74

Sloan-Kettering Award for Clinical Research Excellence, 1974

M.D. (Internal Medicine), 1974 summa cum laude

Postgraduate Awards

Postdoctoral Fellow of the Arthritis Foundation (1974-1978)
Member, American Board of Internal Medicine, 1980
Fellow, American College of Physicians, 1982
Fellow, American Society for Clinical Investigation, 1984
Fellow, American College of Rheumatology, 1984
President, San Diego Rheumatism Society, 1990-92
Outstanding Clinical Investigator Award, American Society of Clinical Investigation, 1997
Skaggs Award for Distinguished Clinical Research, The Scripps Research Institute, 1998
Broadhurst Distinguished Faculty Lecture Award, Harvard Medical School, 2001
Designated “Outstanding Clinical Rheumatologist, Southern California” 2002

Editor, Rheumatology Grand Rounds

Section Editor, Current Opinion in Investigational Drugs: Inflammation and Autoimmunity

Section Editor, Current Drugs: Guidelines for the FDA

Section Editor, Clinical Immunology

Associate Editor, Journal of Clinical Laboratory Analysis

Associate Editor, Arthritis and Rheumatism

Associate Editor, Journal of Rheumatology

Associate Editor (Rheumatology), MedScape

Editor, textbook on Sjögren's Syndrome (Springer) 2012

Advisory Board, American College of Rheumatology for “Guidelines for Sjögren’s Syndrome”

Advisory Board, International Institute of Immunopathology, Cologne, Germany

Advisory Board, National Sjögren's Syndrome Foundation

Advisory Board, National Scleroderma Federation

Advisory Board, California Systemic Lupus Society

Advisory Board for Rheumatology, MedScape (internet information for physicians)

Advisory Board, Chinese Academy of Medicine (Beijing)

Advisory Board, Republic of China (Taiwan) Academy of Medicine

Advisory Board, Indian Academy of Rheumatology (New Delhi)

Advisory Board, WebMD and Medscape

Study Section for Research Grants, American College of Rheumatology

Study Section for Postdoctoral Fellowships, Arthritis Foundation

Study Section for Multipurpose Arthritis Center, National Institutes of Health

Study Section for General Medicine, National Institutes of Health

Associate Editor, Indian Journal of Rheumatology

Advisor to the Modernization of Medicine Committee, China

Principal Investigator for NIH Grant M01RR0833 (General Clinical Research Center, (GCRC) including projects:

- a) Open Label Phase II study for treatment of severe rheumatoid arthritis with azaribine plus pyridoxine (IND) (1993-present)
- b) Treatment of Patients with autoimmune disease and pathogenetic with 2-chlorodeoxyadenosine (IND) (1993-present)
- c) Evaluation of the genetic and environmental factors in the pathogenesis of Sjogren's syndrome (1984-present)
- d) Pathogenesis of Neutropenia in Sjögren's syndrome and systemic erythematosus using DNA recombinatorial phage libraries of monoclonal antibodies derived from patients (1994-present)
- e) Treatment of patients with severe rheumatoid arthritis with inhibitors de novo pyrimidine synthesis including tri-acetyl 6-azauridine
- f) Co-Director for Flow Cytometry, Development of monoclonal antibody (phage display) and PCR probes

Principal Investigator for multi-center trials involving rheumatoid arthritis, Sjögren's syndrome or systemic lupus erythematosus:

- a) Double-blind study of efficacy and safety of mycophenolic acid mofetil in rheumatoid arthritis (1989-1995); extension trial-present
- b) Multicenter open label trial to establish the efficacy and safety of in patients with Sjögren's syndrome (1989-1993)
- c) Multicenter Double blind study for the use of pilocarpine in patients with Sjogren's (1993-1994) (protocol 96-05 and 06)
- d) Multicenter Trial of Tinedap in early rheumatoid arthritis (1993-1996)
- e) Multicenter Trial of Leflunomide versus Methotrexate in Rheumatoid Arthritis (1995-present) (protocol 97-06)

- f) Multicenter Trial for treatment of rheumatoid arthritis with methotrexate plus cyclosporin A (Neoral) (1996)
- g) Multicentral Trial for Cox-2 Inhibitor in treatment of rheumatoid arthritis (1996-present) (co-investigator)
- h) Multicenter Trial for Muscarinic M1 and M3 agonist (SNI-077) in treatment of syndrome (1997-present)
- i) Multicenter Trial for TNFRII:Fc (Enbrel) in early rheumatoid arthritis (1997-present) 9032
- j) Multicenter Trial for T-cell Receptor Vaccine in rheumatoid arthritis (Immune) (protocol 97-144)
- h) Prediction of response to methotrexate by detection of cytokine and inhibitor levels (protocol 98-009)

RECENT SPEAKING CONFERENCES

- 2012 Plenary speaker and visiting Professor of Medicine Chinese Academy of Rheumatology, China (Beijing)
- 2012 Plenary speaker, Indian Academy of Rheumatology (New Delhi)
